# Transport Guide

2026 / 2027

# Welcome

---

Thank you for taking the time to look at our School Transport Guide. This guide sets out the wide range of home to school travel options available to our students. It provides an overview of our school bus routes, timetables and fares, along with the terms and conditions.

Our home to school bus service is managed by Vectare, a specialist school transport management company. All bookings for school bus routes are made via our online booking system, which can be accessed at [hallifordschool.vectare.co.uk](https://hallifordschool.vectare.co.uk) or through the link in the transport section of our School website. The website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop. For requests to consider new bus stops or to discuss travel options from areas not currently served by our network, please email [schooltransport@hallifordschool.co.uk](mailto:schooltransport@hallifordschool.co.uk).

The online booking system allows you to book travel 24/7 from anywhere in the world. Payment for the bus service is made via the online booking system and parents have the option to pay for a full year or three termly payments using direct debit. Please note that a terms notice is required for cancellation of a regular booking.

The most cost-effective option is a full-time return booking however bookings for 5 mornings or 5 afternoons are also available. Ad-hoc bookings are only available where there is capacity as priority is given to passengers who have a regular booking. Amendments can be made via the 'my account' section of [hallifordschool.vectare.co.uk](https://hallifordschool.vectare.co.uk)

I would like to take this opportunity to wish your child a pleasant and successful academic year ahead.

# Terms & Conditions

1. This agreement is made between all school bus passengers, their parents and Halliford School in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for pupils' journeys to and from school are the responsibility of their parents. To assist with discharging this responsibility, Halliford School provides a school bus service. Parents are responsible for their children at all times including both prior to and after boarding and alighting.
3. Transport on the School bus service must be arranged in advance and is paid for through the online booking system. The booking options are for either 5 mornings or 5 afternoons or a return service, subject to availability. The service is available on an ad-hoc basis, but this is subject to availability.
4. Bookings are non-refundable in the event of a pupil failing to travel.
5. Bookings are to be made via [hallifordschool.vectare.co.uk](http://hallifordschool.vectare.co.uk).
6. Each pupil who has a booking will be added to a bus list detailing the service they travel on, their bus stop and what travel has been paid for. Their name will appear on a register which will be checked by the driver.
7. It will be the parent's responsibility to inform the school via the Contact Us form on the website if they no longer wish for their child to use the School bus service. A full term's notice (Autumn, Spring or Summer, not two half terms during the course of the year, in line with the terms of the school) must be given by a parent prior to the removal of a pupil from the School bus service.
8. No pupil is permitted to travel on the school bus service if not pre-booked for that bus. Other arrangements for journeys to and from school must be made by the pupil or their parents.
9. Pupils must travel to and from Halliford School in full school uniform or full school PE Kit.
10. Pupils should be at the bus stop 5 minutes before the scheduled time of departure to ensure they do not miss the bus. Drivers will not wait past the scheduled departure time.
11. Good conduct is required at all times. Shouting, use of inappropriate language, dropping litter, playing loud music or any other misbehaviour is strictly forbidden, as is eating on the bus. Pupils must ensure that any online activity will not cause distress to others.
12. Except when embarking or disembarking, all passengers must remain seated with their seat belts fastened correctly.
13. Whilst on a school bus, all passengers must accept the authority of a member of staff or driver, who may ask them to obey any reasonable instruction such as pick up litter, cease from certain actions or to move to a different seat.
14. Failure to comply with these conditions may result in the matter being referred to the pupil's class teacher or Head of Year and may result in disciplinary action, including temporary or permanent withdrawal of permission to use the School bus service.
15. Halliford School aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however timings may vary due to traffic conditions or unforeseen circumstances. The school accepts no liability for such delays
