Year 11 Curriculum

Year 11 Curriculum

The long-term curriculum plans present an overview of the topics covered each half term. They also provide information on the nature of the assessments and offer suggestions on extra resources which can be used to support learning.

It is important to emphasise that these plans are working documents and departments actively use them as a guide to plan the teaching and assessments throughout the year. However, departments are also flexible enough to respond to the needs of the learners.

In addition to the curricula for the individual academic subjects outlined in the following pages, students in Year 11 also have one lesson of PSHE and three lessons of Games per week.

Specification Name: Edexcel GCSE Art and Design (2FA01 – Fine Art)

Click [here](#) for full specification

<p>Autumn 1 2023</p>	<p>Inside/Outside: Thematic Response Project</p> <p>Students will:</p> <ul style="list-style-type: none"> • Learn how to produce direct observation responses to the theme using as many techniques as possible; drawing, ceramics etc. • Learn how to make marks effectively using a range of materials and techniques in both 2D and 3D. • Look at & absorb/understand how other artists have responded to this title and find examples of their work and thoughts behind it. • Experiment with different materials and techniques/try to find a personal way of responding and making links with a given artist/movement • Visit art galleries and develop their ways of looking at and interpreting the work of others and the world around them. <p><i>Part of the specification it relates to:</i> Component 1 (Personal Portfolio)</p>	<p><i>Supporting materials:</i> Dependent on each individual candidate's personal area of interest.</p> <p><i>Assessment:</i></p> <ul style="list-style-type: none"> • AO1 – Develop ideas through investigations, demonstrating critical understanding of sources • AO2 – Refine work by exploring ideas, selecting and experimenting with appropriate media • AO3 – Record ideas, observations and insights relevant to intentions as work progresses • AO4 – Present a personal and meaningful response that realises intentions
<p>Autumn 2 2023</p>	<p>Thematic Response Project</p> <p>Students continue to work on their project.</p>	<p><i>Supporting materials:</i> Dependent on each individual candidate's personal area of interest.</p> <p><i>Assessment:</i> Mock examination</p>
<p>Spring 1 2024</p>	<p>Thematic Response Project Continues</p> <p>Students will develop their knowledge, understanding and skills, to include:</p> <ul style="list-style-type: none"> • developing and exploring ideas • researching primary and contextual sources • experimenting with media, materials, techniques and processes • presenting personal response(s) <p><i>Part of the specification it relates to:</i> Component 1 (Personal Portfolio)</p>	<p><i>Supporting materials:</i> Dependent on each individual candidate's personal area of interest.</p> <p><i>Assessment:</i></p> <ul style="list-style-type: none"> • AO1 – Develop ideas through investigations, demonstrating critical understanding of sources • AO2 – Refine work by exploring ideas, selecting and experimenting with appropriate media • AO3 – Record ideas, observations and insights relevant to intentions as work progresses • AO4 – Present a personal and meaningful response that realises intentions

Autumn 1 2023	<u>Personal review and planning</u> The aim of this unit is for students to understand the range of options open to them post 16, how to get the information, advice and guidance they need to make the best choices for them and the application process.
Autumn 2 2023	<u>Developing personal identity for career development</u> This unit will focus on enabling students to maximise their chances when applying for education or employment. It will also look at developing their career identity.
Spring 1 2024	<u>Sex and relationships</u> In this unit, students will understand diversity in sexual attraction. We will also address sex and relationship pressures that teenagers may encounter which includes elements such as sexting, pornography and the dark web. As well as developing student's awareness and knowledge of a range of sex and relationship issues and sexual health issues.
Spring 2 2024	<u>Healthy and unhealthy relationships</u> The aim of this unit is for students to understand the importance of equality in relationships, the features of healthy and unhealthy relationships, that violence in relationships is unacceptable and to understand what support is available for those in an unhealthy relationship.
Summer 1 2024	<u>Making safer choices – Drugs education</u> These lessons are from the DSM foundation whereby students explore situations whereby they need to think about the safest options available to them. This includes staying safe at parties, at festivals etc.

Year 11 Homework Timetable

Class	Max prep time per subject	Monday	Tuesday	Wednesday	Thursday	Friday
Y11	45 mins.	English Biology (Sets 1 & 4) Chemistry (Sets 2,3 & 4) Physics (Sets 1, 2 & 3)	Mathematics Core Language Option A	English Option B Option C	Mathematics Core Language Biology (Sets 2 & 3) Chemistry (Set 1) Physics (Set 4)	Option A Option B Option C

- In addition to the stated Science homework, the school uses a piece of software called Tassomai. Students should aim to complete their 'daily goal' on a daily basis, however they must complete it 3 times a week to avoid a lunchtime catch up session." If you have any questions about Tassomai please consult the link below: [How does Tassomai work? – Tassomai](#)
- Students who are entitled to extra time in tests and examinations should practise using extra time when doing their homework.
