I, Robot: Build Your Own Epic Robot Arm

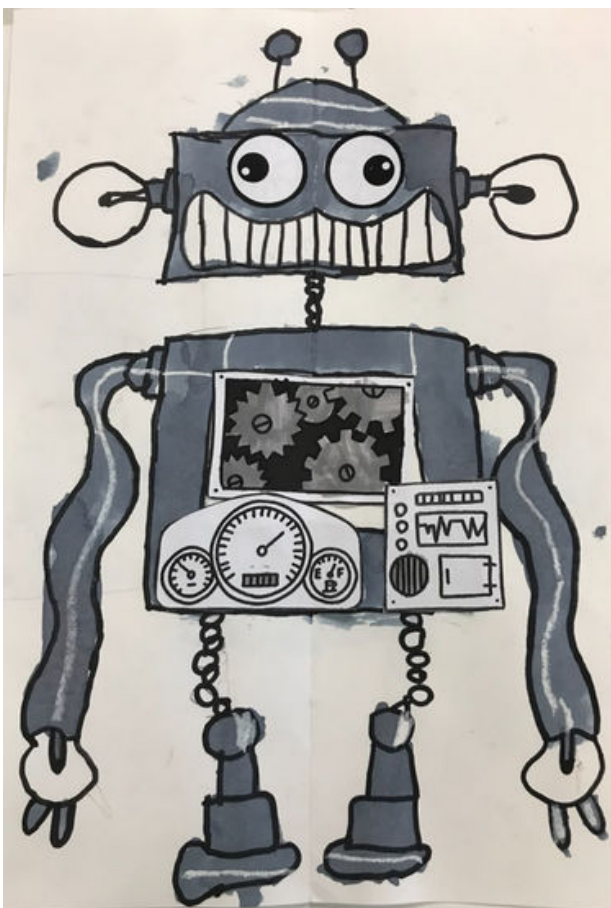

Date: Saturday 14th November 2026

Time: 10am-12 noon

Art at Halliford

Get ready for an awesome adventure into the world of robotics and creativity. In this action-packed art session, you will design and build your very own battle-ready, articulated cardboard arm that can move, grab and reach.

Add bold colours, cool designs and techy touches to make it your ultimate robot. By the end, you will have a working robot arm ready for action! Are you ready to become a robot engineer and artist all in one? Let's bring your robot arm to life!

The Great 1066 Showdown

Date: Saturday 14th November 2026

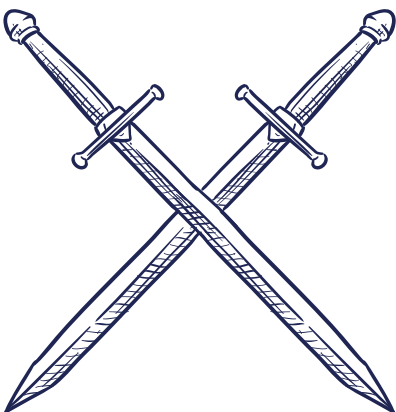

Time: 10am-12 noon

Design & Technology and History at Halliford

Get ready for an epic day where History meets Design & Technology in a battle-packed adventure. Step into the world of Knights and Kings. You will design and build your own battle-ready shield and sword using cardboard, paint, and foam. Add your own emblems and become a warrior of 1066! Learn the coolest battle moves—like the shield wall and sneaky cavalry tricks. Then team up to choreograph your own version of the battle. Who will win? You decide! Final Showdown: Reenact the Battle! Take to the stage, show off your moves, and relive the clash that changed history. Props, action, and storytelling—just like a movie!

Soundscapes Unleashed

Date: Saturday 14th November 2026

Time: 10am-12 noon

Music at Halliford

A morning full of inspiration, collaboration, and musical magic! Step into the spotlight with our Musical Theatre session: learning vocal techniques and performance skills that bring stories to life on stage. Rhythm takes centre stage as our students explore traditional African drumming. This hands-on workshop celebrated community, coordination, and the power of percussion. From epic soundtracks to ambient scores, students discover how music shapes digital worlds. They will experiment with composing original pieces for games and film where creativity meets technology.

Race Across the World

Date: Saturday 16th January 2027

Time: 10am-12 noon

Modern Foreign Languages at Halliford

Get ready to pack your bags and race around the globe! Race Across the World is an exciting modern foreign languages programme designed for boys who are ready for a fast-paced, fun-filled challenge.

Travelling from country to country, participants will pick up new languages, crack codes, and complete high-energy missions using real words and phrases from around the world. From ordering food in a bustling market to asking for directions in a new city, every challenge brings them one step closer to the finish line.

With teamwork, quick thinking, and a spirit of adventure, you will build confidence in speaking new languages while having an unforgettable experience. Who will make it to the final destination first? The race is on!

The Great Forensic Challenge

Date: Saturday 16th January 2027

Time: 10am-12 noon

CRIME SCENE - DO NOT CROSS CRIME SCENE - DO NOT CROSS

Science and Psychology at Halliford

Step into the mysterious world of crime-solving and discover how forensic scientists crack tricky cases. Guided by our brilliant Science and Psychology experts, you will get hands-on with exciting activities like investigating clues, examining evidence, and uncovering hidden secrets. Learn how detectives collect fingerprints, analyse clues, and piece together what really happened — just like in your favourite TV shows and movies! But that is not all... Once you have mastered the skills, it is time for the ultimate challenge. Team up with your friends to solve a mystery, race against the clock, and prove you have got what it takes to be a top detective. Will you crack the case? Join us for a thrilling adventure full of puzzles, teamwork, and surprises — where every clue counts and every second matters!

The Big Pitch

Date: Saturday 13th March 2027

Time: 10am-12 noon

Business Studies and Economics at Halliford

Design Like a Pro: The Ultimate Football Boot Challenge

Step into the world of sports fashion and unleash your creativity! In this high-energy workshop, kids become superstar designers, dreaming up wild and wonderful football boots with bold colours, cool features, and futuristic flair. Once the boots are built and the designs are ready, it is time to hit the pitch—literally. Teams will create fun, fast-paced adverts to showcase their creations and impress the judges. Think big ideas, teamwork, and loads of imagination. Are you ready to design the next game-changing boot?

Mythical Monsters

Date: Saturday 13th March 2027

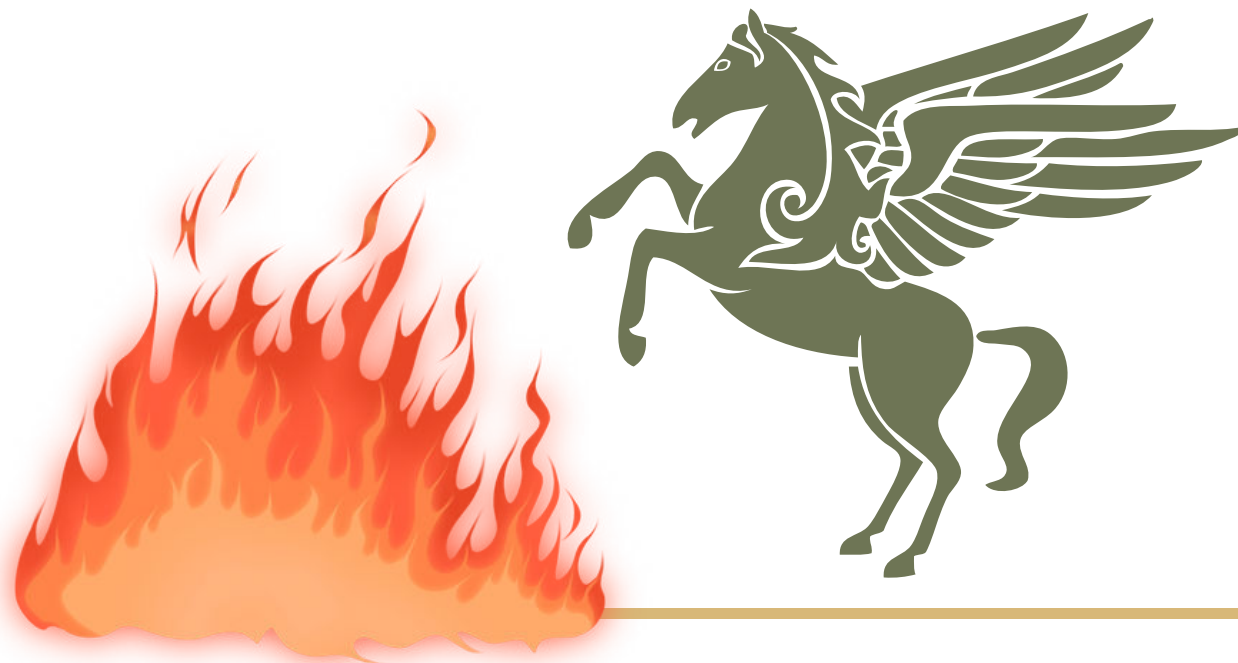

Time: 10am-12 noon

Classics, Drama and English at Halliford

Get ready to step into the wild and mysterious world of Greek myth! In this action-packed workshop, we will explore some of the most fearsome mythical monsters ever imagined. From the beautiful Pegasus to the deadly Chimera, you will bring these legendary creatures to life through acting, crafting, movement, and imaginative storytelling. Along the way, you will build confidence, teamwork skills, and creativity, while having loads of fun!

Join us for an epic journey where heroes face monsters, courage is tested, and every boy becomes part of the adventure. Can you outwit the monsters of your own making? Let's find out!
